Andy & Maria Saavedra, Maspeth (Queens NY):

Eddie Saeed went way beyond what I would expect from an agent. He was there for us at every step in the process. His easy going friendly personality, his honesty, and connections with so many local agents helped us sell our home in record time. His assessment of how to showcase our home, what needed to be fixed and what did not. His negotiation skills left us very content. What was remarkable is that we did this with 100% confident in his ability and expertise in our area. He was so efficient and trustworthy that left us with a memorable impression that we will tell anyone that listens to utilize Eddie on their sell of home. Again, his patience and guidance helped us sell our home and also able to pick his brain on the purchase of another home. If you want results, no one is better than Eddie.

Marian Miele, S. Ozone Park, (Queens NY):

I write to express our appreciation for your efforts which led to the successful sale of our property in South Ozone Park. You patiently walked us through comparables and presented a pricing scenario that achieved our objective of a reasonably quick sale within what we knew independently to be a reasonable market price. We were happily surprised at the immediate response and choice of potential buyers you presented. We listed the property with you, accepting one of several offers just six days after listing. Without your intervention, I believe we would have experienced a number of delays. We wouldn't hesitate to recommend you to any prospective client. It was indeed a pleasure working with you.

Emy & Joel Rodriguez, Kew Garden Hills, (Queens NY):

Thank you for helping us sell our place, especially with the special circumstances. I had called at least three other agencies before I found you. I found you to be most knowledgeable and qualified to serve our needs. We felt very comfortable with you and didn't feel pressured at all. We are very happy with the service you have provided and will continue to refer clients to you. Thank you again and best wishes.

Anna Suarez, Queens Village, (Queens NY):

Many thanks as well for helping us with the short sale of our home. Your knowledge and professionalism made all of this happen. Wish you all the best and I hope to be able to deal with you again in the future.

Monika Taistra, Jackson Heights, (Queens NY):

"What I liked about dealing with you was:

1. You always got back to me in time with any questions/concerns I had.
2. Very polite and professional and yet comfortable to work with and a sense of humor.
3. You were always willing to work out the hours as to when to show the apartment especially since both of us worked during the day.
4. Pleasant to work with.
5. In some way you guided us with the selling process even though sometimes the lawyers weren't as responsive as they should be especially when they messed up the closing and it was delayed.

All in all I really don't have any negative feedback, If asked, I'd definitely refer you to anyone looking for a broker."

Neusa Zambuto, Ozone Park, (Queens NY):

"You came in very well recommended and you did not let us down. We were always kept informed, all appointments were made very professionally. We are 100% satisfied and will use you again and also recommend you. Once again thank you for your help in selling my house so fast."

Robert Shwalb, Forest Hills, (Queens NY):

"When I first met you, I got a very good feeling and first impression. I knew I hired someone very good. Well it turns out that you not only lived up to my expectations, but also exceeded them. I would not hesitate in hiring you again, or recommending you to others. You are truly a first class person, who is loyal and hard working, and a credit to your profession. Thanks so much!!!"

Bill Hackett, Bayside, (Queens NY):

"Eddie was there from the time I gave him the listing, to marketing, making the appointments, presenting multiple offers, negotiating, inspections, contract and closing, every step of the way. Made it very easy for us, whenever we had a question or concern he had the answer. We will always recommend him."

Tom Butler, Flushing, (Queens NY):

Dear Eddie, I wanted to thank you for your help with the sale of the house on 125th St. As always, you handled the sale with professionalism, courtesy and knowledge. I will highly recommend you to anyone. Best regards.

Gregory & Mary Frisby 191-16 109 Ave St. Albans (Queens NY):

Thank you for all your help! Mary, Carol and I greatly appreciate it. We told you our demands about wanting to sell the house quickly at the best price. You educated us about the market and the comp sales allowing us to make a fair assessment of the current market value of the house. After putting the house on the market we immediately had two offers and an additional one when under contract review. We closed within two months of listing the house. You also were terrific in referring professionals for us to stage the house and later clean it out. Lastly, you stepped in to meet vendors on our behalf at the house since we lived out of state and could not do it ourselves. We highly recommend you to others. Everything stated was heartfelt. We greatly appreciate your work and for listening to us and delivering our requests.

Patricia & Michael Patrikios, Rego Park, (Queens NY):

"We were contacted by Eddie Saeed within hours of requesting help on the phone from our home in Connecticut. We met him later that week at an appointment at the houses in Rego Park.

From the moment we met him, we were CONFIDENT that this was the agent who had the professionalism, contacts and enthusiastic belief in getting us the highest price for our properties. He consulted, he advised and he believed in his abilities.

Before we even signed an agreement with him that day, he had already offered suggestions to us which made the unpleasant job of cleaning our mother's homes out so much easier. He gave us recommendations of a local cleaning service to remove 60 years of accumulated memorabilia left after the family had taken what it wanted, and suggested an excellent attorney locally to handle our needs.

Eddie's list of contacts looking for properties in our area gave him a significant advantage over many agents. Within a very short time he had found more than one pre-qualified buyer interested in the homes. He negotiated and secured for us the best buyer to go to closing at the best price. He was honest, fair and always looking out for us. This characteristic makes him supremely trustworthy and valuable in a property sale. We closed on the first house even before the 45 day commitment period was up. The second home is also under contract at this time after Eddie negotiated well during a bidding war on that property.

I highly recommend Eddie Saeed to handle any of your property needs. He is an exceptional partner to have as your Real Estate Representative."

Juan Torres 103-28 110 St Richmond Hill (Queens NY):

It was a pleasure doing business with you. You handle the sale of my home with respect and with a professional attitude. Thank you for making it a pleasant experience.

Irwin Blanch 400 Eldert Lane Cypress Hills (Brooklyn NY):

First, I would like to thank you again for your patience and hard work marketing & selling my mother-in-law's home. I truly feel you were extraordinarily patient and you tolerated my aggressiveness in increasing the price accordingly. We both worked very well together to achieve the sale.

Joan Thomas 104-23 192 St, Albans, (Queens NY):

You listed the house, scheduled all showings, coordinated the showings, advertised, negotiated the sale of the house, finalized the sale of the house, worked very closely with me in bringing this house to a close. You are the only person I communicated with and had a signed contract with to begin any and all transactions from the beginning to the end. Thank you Eddie for all your help.

John Matovich 89-20 63 Ave Rego Park (Queens NY):

I meant to send you this thank you letter much sooner but I have been exceptionally busy lately. I just wanted to say thank you very much for all of your help in selling the property at 89-20 63rd Ave in Rego Park. You were exceptionally professional, knowledgeable, friendly, very helpful and always there when I needed you. Whenever I called with a question, you always responded right away. I always felt like you had my back through the entire process and I appreciate that more than words can describe. I will continue to keep you in mind and gladly recommend you if I hear of anyone looking for a real estate agent in the area who they can count on and trust. You will also be the first agent I contact if I ever require your services again in the future.

Again, thank you so much for all of your help. I wish you the very best of luck and I hope to see you again in the future.

I contacted Eddie to assist in the listing and sale of a property in Queens. The seller was a repeat client of mine, however I am licensed in NJ, and was unable to service in NY. It was very important to me that our client received top notch service, as I provided in previous dealings with our client. Eddie was a true professional and found a buyer very quickly. I highly recommend Eddie to handle your sale or purchase...you will be very happy! - Robert Greenblatt - Keller Williams Realty, Cherry Hill NJ.

Why Eddie? I referred a seller to Eddie to sell her mother's home. Eddie kept me in the loop in entire time and more importantly was honest and truthful with the seller. He got the home sold in a timely fashion but with respect to a tenant who was occupying the house at the time. You won't go wrong with Eddie

Eddie Saeed Is an amazing Realtor! He is a real gentleman - super knowledgeable, kind and understanding. I would describe him as a miracle worker. My family thought there was no hope selling my elderly mom's old place which had fallen into disrepair. At best we felt it would drag on for months or even years. We thought we would have to settle for very little money. Eddie came to our rescue and immediately calmed our fears with intelligence and understanding. He helped us through the entire process. I knew right away Eddie was the right person, but most importantly my mother could rest knowing that the home she had lived in for almost 60 years was safe with Eddie. Eddie sold our mothers home in three days! For way-way more than anyone would have thought possible! Eddie literally saved my mother's life. She now has the money to live out the rest of her days with the respect and dignity she deserves.
